 Subject: Enrollment
 Date: 20 September
 Dear Mr. Woolf,
 I'm writing because I am interested in taking up a sewing class at your arts and crafts center.
 I saw your brochure at my school and saw that you offer this class on Friday afternoons which suits me very well. Could you confirm that there are places available in the class?
 If that is the case, will I need to fill in any forms in order to enroll officially? Also, will I need to bring any sewing materials with me to class? I participated in a sewing workshop two years ago, but at the time all the necessary materials were provided for us.
